GROUND-BREAKING EXERCISES FOR NEW BANDSTAND HELD SUNDAY

A good-sized Mattapoisett crowd of people assembled to attend the ground-breaking exercises on the site of the proposed new town bandstand. It was held last Sunday at 12:00 noon at Shipyard Park.

Fr. Francis Gillespi of St. Anthony's Church gave the invocation. Selectmen David N. Haley and Donald Linhares were invited to draw the first spadefuls of ground. Addressing the gathering next was Rev. Donald Finley of the Mattapoisett Congregational Church. His remarks were a reminder of the past gatherings at this site, of the pleasure and delight derived from the attendance of concerts. He pointed out the beautiful, panoramic view of the Mattapoisett Harbor so close by for all to enjoy. Looking towards the future, he

stressed that to erect the new bandstand, while a fine thing in itself, it should be more meaningful if we make it a symbol of unity and sharing. He then concluded with a prayer.

Mr. Haley, chairman of the Board of Selectmen, added a few words of praise for the town-appointed band committee for their efforts to bring about the start of the long-awaited new bandstand. He wished them continued success in their endeavors.

committee, served as Master of Ceremonies and concluded the exercises after thanking everyone who attended.

The fund-raising goal of $6,000, which was announced recently by the band committee, received a real shot-in-the-arm contribution when the Mattapoisett Woman's Club donated $1,000. Other contributions are reportedly coming in. Noteworthy is the pledge received from Frank D. Sylvia, proprietor of "Fish on the Wharf" Market, who is offering the proceeds of the entire day of business on June 20th. June 20th is the announced date of the Lions Club Auction to benefit the Bandstand Fund. In addition, Mr. Sylvia's pledge includes the proceeds of all sales between the hours of 6:00 and 9:30 P.M. every Tuesday and Saturday evenings during the summer season. On these nights are scheduled band concerts and square dancing on the Town Wharf.

The program for the ground-breaking exercises was planned by Mrs. Alden S. Kin-

Teens Wanted

WANTED - MUSEUM JUNIOR AIDS!

For the second consecutive summer, the Mattapoisett Historical Society is to promote a teenage program for Junior Aids to assist activities of the Society Museum on Church Street.

Society president, Mrs. Harry Locke, announces that Mrs. Charles B. Dunn has agreed to serve again as director of this special program, which involves Mattapoisett teens in all areas of Museum work, from guiding tours, to bookkeeping, to housekeeping, and refurbishing of Historical artifacts. Teen volunteers will be asked to serve two hours a week, and at summer's end, will be rewarded with an excursion to some suitably historical site.

Last summer, when this program was launched, Mrs. Dunn arranged a schedule assigning two teens daily to assist the regular Adult Aids during the regular Museum Open Hours. Curator Charles Mendell expressed enthusiastic delight with the dedication of the young people involved, and announced that their assistance was of immeasurable importance to the Museum's practical procedures.

As for last summer's volunteer teens, they also were delighted with the satisfaction of taking part in a meaningful program of civic service. An early September Saturday featured a festive trip to Old Sturbridge Village, a long, happy day of fun and fellowship, sponsored by the Historical Society for all those teens qualified as official '69 Museum Junior Aids.

Summer '70 signifies a program more auspicious than the previous year, and all Mattapoisett teens interested in a part time involvement with the Mattapoisett Museum

Mattapoisett Yacht Club

MATTAPOISETT YACHT CLUB RACE

With competition scheduled in two classes the Mattapoisett Yacht Club held the second race in the June Series Saturday, June 13th.

Susan McGowan took the win in the handicap class and Tom Clark placed first for the Corinthians.

Seven boats answered the starting gun; with north winds, typically puffy and gusting from 10-22 miles per hour, prevailing throughout the afternoon. The seas were choppy, the temperature in the low 60's and swirls of spray frequent.

The 6.1 mile course for the handicap contestants, starting at Molly's Cove MYC guide buoy, proceeded to Barnard's MYC guide buoy, to Mattapoisett Ledge Black Can 4, to Angelica Point Red Nun 2 and finish.

Susan McGowan's Gryphon, first over the line at the start, was overtaken at Barnard's MYC guide buoy by John Malcolm's Witch of Agnesi, but later regained the lead to win by a margin of 3 minutes, 55 seconds (corrected time).

The Corinthians sailed to Barnard's Wharf MYC guide buoy, to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy and back to finish, twice around.

Ralph Eustis in Lisa led the 5-boat fleet until after rounding Barnard's Wharf MYC guide buoy; then Arthur Blackburn in Lorelei began to forge ahead, building up a substantial lead to finish first, followed 1 minute, 45 seconds later by Tom Clark's Instead. However, Lorelei was disqualified for going around the MYC guide buoy to starboard instead of to port, when starting the second time around the course.

The final line-up then became: Tom Clark's Instead, first; Billy Mee's Irish Eyes, second; and Ralph Eustis' Lisa, third.

DIXIELAND BAND

Shown performing at the Friday night concert is this Dixieland quintet. The young group was a marvelous treat for the capacity audience at Old Hammondtown School.

Students in Concert

CONCERT AT OLD HAMMONDTOWN

A capacity audience was entertained by the orchestra, individual performers, singing groups and instrumental combos at Old Hammondtown School on Friday evening. The program, under the direction of Mr. Jarvis Medeiros, was excellent. The orchestra played extremely well as did the band, and the chorus, under the direction of Mrs. Richard Blasdale, was very entertaining.

The song, "Economy, Will it Remain?", was an original composition written by Robyn and Karen Parsons. The Glee Club sang it, accompanied by Susan Belmore and Karen Parsons on guitars.

A Dixieland quintet and a dance band were unveiled and were warmly received. The Dixieland group consisted of David Lamborghini on the trumpet, Frank Dorr, trombone; Matthew Vangel, clarinet; and Mark Sylvia, drums; and Mahlon Peterson on the bass. Arrangement was by Mr. Medeiros.

The dance band played "My Funny Valentine", "Somewhere My Love" and "Canadian Sunset", and the smooth and beautiful rendition was marvelous. This group could go on the road and be very welcome any place that they appeared.

Soloists included Lorraine Haskell, violin, Born Free; Jane Charbonneau, cello, Vilia; Mahlon Peterson, sousaphone, Asleep in

Rochester Auction

ROCHESTER AUCTION JULY 18th

The ways and means committee of the First Congregational Church, Rochester Center, have announced that the annual auction will start at 9 A.M., July 18th, out of doors at the vestry. Those wishing to donate items for the auction are invited to contact these members: Mr. and Mrs. Greenwood Hartley, Jr., Mr. and Mrs. Ernest Davoll, Mr. and Mrs. William Watling, Mr. and Mrs. Hoyle Demoranville, Mr. and Mrs. Robert Sherman, Mr. and Mrs. William Morley and the Rev. and Mrs. Edward F. White.

Letter to The Editor

On June 1, 1970 I was riding my bike through Mattapoisett. During my bike ride I was approached by a dog who immediately bit my leg so viciously that he broke the skin through my pants. Since there is a law in Mattapoisett that all dogs must be kept tied or on a leash I went to the police station to report the incident. Upon entering the station I told the desk clerk that I wished to register a complaint about a dog. His reply was "Why don't you call the dog officer?" Feeling that I was getting nowhere because of my age, I asked my father to register the complaint. The results he got were little better than mine, but the dog officer's house was called, with no response, and he was not treated like some piece of dirt that came floating through the door.

If the "older generation" wants the "younger generation" to respect the law, I feel the elders should obey the law, and then see that the representatives of the law respect the youth.

SAILING PROGRAM BY MYC

The Mattapoisett Yacht Club's sailing program which begins July 6 for eight consecutive weeks, offers sailing instruction for all. A beginning child must be eight years of age and able to swim 50 yards. Junior classes will be held twice a week with students placed according to age and ability. Racing classes for qualified juniors will be held on Wednesdays. This program is recommended by the MYC as being effective in teaching basic sailing and water safety as well as knowledge necessary for racing. The instructors this year will be Joan Darrah, formerly sailing director at Camp Massasoit, and Daniel Briggs.

This year, adult classes will be held and for the advanced juniors, a class in navigation and maintenance. Badges, which represent the students' sailing knowledge and ability, will be presented at the Wednesday evening programs.

In case of rain, the festival will be held in St. Gabriel's Church hall. Every club member is participating in some way to make this Festival even more successful than last year. Thelma Hayward is busy making posters, Anna Lipsitt is taking care of publicity, and every member will be either picking or hulling strawberries; making the shortcake biscuits, strawberry jam or some other baked delicacy, or she will be working the day of the festival. All proceeds will go for scholarships and area contributions. The committee, headed by Ginny Mower and Mary Louise Lunt, urges all to come. Sandwiches, coffee and soft drinks will also be available.

MATT. MOHAWKS TAKE OVER FIRST PLACE IN CAPEWAY BABE RUTH LEAGUE RACE

With the completion of the second week of play, the Mattapoisett Mohawks moved into first place with a slim 2 point advantage over the Mattapoisett Wanderers and Bourne.

Monday night found the Marion team meeting the Mattapoisett Wanderers at the ORRHS diamond. This game ended in a 4 to 0 victory for the Wanderers, as they remained undefeated. Mark Breton pitched the shut-out for the winners.

Down on the canal, the Wareham Reds were extending the Bourne team, taking them into extra innings before finally losing to the home team in 8 innings, 4 to 3. Eddie Gendron was the winning pitcher and had 16 strike-outs.

Steve Bump, the Red's pitcher, threw a no-hitter, striking out 15, but lost the game because of fielding lapses. (This is the second no-hitter pitched this season, in a losing cause.)

Wednesday night saw Dave Downing of the Mattapoisett Mohawks pitch his second shutout in 2 appearances as his teammates bombarded the Wareham Reds' pitching 17 to 0.

The Bourne Clippers didn't make the Wareham fans very happy as they bested the Blues 8 to 3 under the lights at Bourne.

Tom Cox, winning pitcher, has a 2-hitter, with 12 strike-outs. M. Martineau contributed 3 hits to the Clipper attack.

The Bourne team had their second "cliff-hanger" within 3 days, as they bested Marion 4 to 3. Bob Layton was the winning pitcher.

Marion battled back in this game to tie the score in the top of the seventh inning, only to lose it in the bottom of the same inning. As Dick Knapton, Marion pitcher, lost his control and forced in the winning run.

Friday night, this same Marion team extended the Mohawks to the limit, before dropping the verdict 4 to 2. When the final out was made, Marion had the bases loaded. Brian Fielding was the starting and winning pitcher for Mattapoisett, being relieved by Steve MacLean in the fifth inning. "Butch" Neilson pitched an outstanding game in defeat, and with a tighter defense, could have been a winner.

This week-end saw the start of the intra-town rivalries, starting with the Bourne teams clashing for the first time. Bourne came out on top in this contest 2 to 0, as George Diefenbach and M. Martineau each pitched a one-hitter. A tighter defense by Bourne spelled the difference, as the Clippers threw the ball around in one inning, allowing the 2 runs to score.

Diefenbach ended the night with 18 strike-outs.

On Saturday afternoon, it was the Mattapoisett teams' turn. This was a nip and tuck contest all the way and wasn't settled until 2 overtime innings had been

played. The final score, Mohawks 4, Wanderers 3.

Paul Empey started on the mound for the Mohawks, and was opposed by Mark Breton. Both pitchers were outstanding and both were relieved in the eighth inning with the score tied.

In the last of the ninth inning, with 2 outs and the bases loaded, Paul Empey punched a single to right field to deliver the winning run. Dave Downing was the winning pitcher in relief. Peter Nelson of the Wanderers turned in the fielding play of the game with a shoestring somersault catch in the first inning.

The Wareham teams, Reds and Blues, met Sunday, with the Reds winning 12 to 3.

Steve Bump continued his great pitching with his second no-hit game in a row, this time in a winning effort. He also contributed 3 hits to help his own cause, and scored 3 runs.

In the second game Sunday at the Wareham field, Marion finally put it all together and exploded for a 21 to 0 win over the Bourne Clippers, after 5 previous losses. Ben Leary pitched the win and had 2 doubles at the plate. "Butch" Neilson, his battery mate, also came up with 2 hits, one of them a triple.

So far, pitching has been the most important feature of the competition. Out of 19 games played there has been 7 shut-outs, 3 no-hitters, 2 one-hit games, 2 two-hit
